SLH MOVING & LOGISTICS LLC

A Trusted Partner in Moving and Hauling Services

Hello and welcome to SLH MOVING & LOGISTICS LLC, a female-owned and operated moving and hauling company based in Douglasville, GA. Having been born and raised in nearby Atlanta, GA, founder Savannah Hutchinson is a proud 2nd generation transporter and logistics expert, lovingly following in her father's footsteps. Throughout her childhood and her youth, Savannah would often travel with her dad, crisscrossing the US in his 18-wheeler, having the time of their lives. The people they met and the places they saw are treasured times and life lessons that are tucked safely away in Savannah's memories. She admired her dad's work ethic and he took great pride in his work. And she was so proud of him. Savannah went on to earn her degree in Health Science which led to meaningful time spent in the medical sector, and though successful, she missed her dad and the trucking life too much.

With her dad's blessing and support, she returned to her roots and established her own fully licensed and DOT-registered trucking company and relocation service. Savannah knows the country and the trucking industry very well and her extensive experience, connections, and knowledge serve as the perfect foundation. As a trustworthy, dependable, and affordable moving service, you can feel good about choosing SLH MOVING & LOGISTICS LLC for all of your household, general freight, and motor vehicle moving needs. SLH MOVING & LOGISTICS LLC is proud to have been awarded multiple government contracts and has been honored to provide local and long-distance moves for the Military and COD throughout the continental US. In her spare time, Savannah is also an accomplished illustrator and published author. What started as a few sketches and some bedtime story ideas for her daughter has become a passion for writing that is attracting a growing audience and leaving a positive impact on her young readers. Please reach out to SLH MOVING & LOGISTICS LLC for a free quote and custom consultation and rest assured knowing that you are in the best hands possible.

MISSION STATEMENT

To provide the most affordable and top-notch client experience, thus reducing or eliminating the stress of moving or relocating for our clients.

VISION STATEMENT

To continue to build and cultivate long-term relationships with new and repeat clients, thereby growing the business into a continuing family legacy and well-respected leader in the freight and relocation industry.

CORE VALUES

Believing that open communication, transparency, and honesty curtail issues and problems that could arise, and that being actively aware of each client's individual needs and concerns is crucial to a successful move.
